

# Welcome to Jeunes Diplomates

We are pleased to present our very special programs to you and explain what makes us exceptional in the realm of international opportunities for young people and adults.

JEUNES DIPLOMATES' programs offer exciting and well rounded experiences for children aged 7 through 16 to acquire foreign language skills, practice their favorite sports and immerse themselves in French culture. Participants spend their mornings studying French or English. After lunch, they participate in different sporting activities depending on the season.

Our Summer & Winter camps take place in **Megève**, a magical mountain/ski resort. We are proud to provide qualified language teachers, certified sports instructors and 24-hour supervision for all children. Accommodations include room service.

JEUNES DIPLOMATES creates a safe, comfortable and friendly environment for all participants.

Our Language camps provide not only the opportunity to learn a foreign language, they also encourage students to experience new cultures, to make friends from around the world, to enjoy a variety of activities, to learn about living and working with others, to participate in an international community and, most importantly, to feel successful in their achievements.

We build confidence and we encourage our students to become active in their own learning, thus creating a desire to continue learning and communicating.

JEUNES DIPLOMATES and summer programs are available in 1, 2, 3 or 4-week plans. We also organize completely customized programs for spring and summer school breaks.

Parallel programs for adult family members can be organized simultaneously, should they wish to accompany their children overseas – JEUNES DIPLOMATES offers private and group language lessons year-round for adults as well as for children and can tailor programs for business language requirements.

As an Examination Center for the Cambridge ESOL (English for Speakers of Other Languages) Examinations, the students have the possibility to take a Cambridge examination suited to their level.

We would be delighted to speak with you personally about our programs and to answer all your questions. JEUNES DIPLOMATES is known as one of the best language schools in Savoy and we invite you to visit our web site: [www.cifel.fr](http://www.cifel.fr)

Looking forward to meeting you soon.

Best wishes,

Ada Djumisc

## MEGEVE

Megève is a charming village located at an elevation of 1113 meters (3651.57 feet) in the heart of the French Alps. Megève became internationally known when the Rothschild Family transformed the town into a luxury ski resort.

Megève not only offers a large variety of mountain sporting activities for the summer and winter seasons; it also hosts a classical music festival and jazz competition each summer. There are marvelous walking and hiking trails around Megève where you can spot animal tracks and sometimes the animals themselves or you can just relax and enjoy watching the clouds chase each other across the sky.

### JEUNES DIPLOMATES PROGRAMS

- Our facilities are situated right in the center of Megève, a few steps away from the hotel and next to the antique stores and the Savoyard craftsmen's workshops.
- We run two programs simultaneously: **In the land of Mont-Blanc** to practice English and **Au Pays du Mont-Blanc** to practice French. (Other languages are available à la carte upon request).
- Campers find themselves in a unique immersion environment where they naturally interact with native speaking peers in French and English.
- Language classes begin in the morning and campers can even prepare for The University of Cambridge and Alliance Française exams according to their level of expertise.
- To help practice the language, campers write and perform a play, helped by teachers and staff, and everyone can do their best and have fun.
- Our teachers are experienced with youngsters, and their motivation guarantees the success of our program.

## ACTIVITIES

Jeunes Diplomates organizes sports and other activities using everything Megève has to offer. Afternoons are dedicated to mountain biking, summer sledding, ice skating, fishing, hiking, tree climbing and, of course, in winter skiing, snowboarding, etc. Field trips to amazing places such as la Mer de Glace (the famous glacier in Chamonix Mont Blanc) or wonderful Lake Annecy will fill students with enthusiasm.

Campers get involved in town life by performing a play in the village square! At the end of the day, we all gather around a campfire or organize other events such as games, films, and bar-b-ques. Peaceful moments allow reading, dreaming or chatting with other foreign students.

This year we are proposing different programs:

- Sharing experiences
- Becoming a citizen of the world
- Experiencing new cultures
- Respecting differences
- Experiencing the joy of learning
- Exploring different cultural identities
- Making new friends
- Achieving more than you ever thought possible

### THE STRENGTHS OF JEUNES DIPLOMATES

- The quality of our language classes:  
Small classes with a maximum of eight students. We provide three hours per day of intensive language study.
- The warm hospitality provided by our staff:  
We specifically limit the number of camp participants per session in order to provide the best experience for each camper. Our camper to staff ratio is lower than that required by Government regulations. We take into account the needs of each child. Our professional staff are native English and French speakers.
- The high quality of the accommodations:  
We are proud to propose accommodations in a 4\* hotel.  
Different dietary requirements can be accommodated on request.
- Security is an essential feature in our camps: the children are supervised 24 hours a day and Megève is a quiet and secure place.
- The conviviality
- An international atmosphere

## ORGANISATION OF THE CAMP

Jeunes Diplomates Summer camps are modeled after American style summer camps, and our staff has an excellent understanding and experience with summer camps in the United States. Our camp is a member of the US National Camp Association.

Jeunes Diplomates staff includes our camp director BAFD and qualified French counselors (BAFA) and American counselors. The ratio of staff to children is higher than the norms set by the governing body for sports and camps in France (la Direction Départementale de la Jeunesse et des Sports (DDJS). Our accommodations and restaurant are approved by the State Organization, the DDJS and the outings are declared to the DDCS (Direction Départementale de la Cohésion Sociale)

- Ratio for DDJS: 1 counselor for 12 children
- Ratio for Jeunes Diplomates: 1 counselor for 6 children maximum

Our staff supervises the children 24 hours a day in all their activities, including their personal needs such as hygiene and/or specific medical treatment if required.

Our teachers are all native speakers. They prepare their programs around a specific theme each year. Our primary teaching goal is to have children progress and enrich their communication skills in an enjoyable way. We want our courses to be alive and interesting, different from the normal school routine. The numbers of students in the language classes are limited and are determined by level to encourage the greatest amount of participation and improvement.

We want our campers to spend their summer in safety while enjoying the many different activities our camps offer.

## ACCOMMODATIONS AND MEALS

When your child arrives at the centre, he/she is placed in mixed groups of children of the same age. The children are allocated rooms based on age and sex. **We try** to put English speaking children with French speaking campers to maximize the learning experience.

There is a counselor on every floor.

The children will stay at a hotel (4\*) in the heart of the village, across from the school.

The children will love their stay in one of the bedrooms or suites decorated in the Alpine style of the Savoy, synonymous with calm, comfort and relaxation.

Each room has 2 or 3 beds with a bathroom and a toilet and they are cleaned every day. We offer your children top quality premium accommodations.

Children under the age of 10 years old go to bed at 9:30pm and the others at 10:00pm. Campers have their meals at the hotel. We offer a delicious and balanced menu. Special menus (vegetarian, low salt, etc) are available for medical or religious reasons upon written request.

The menus are devised by the chef of the 4\* restaurant based on a balanced diet and the children's tastes.
